President’s Message

John Link

I’m looking forward to seeing everyone at the Holiday Party and hearing all about the projects you have planned for the winter.

Once again, our Meetings VP, Mike Walling has done an outstanding job of rallying the troops and organizing this event.

As you are aware, we contribute every year to a number of worth charities.

Charities we have, as a Board, agreed to donate to:
St. Jude Children’s Hospital $300.00---
American Cancer Society $300.00--- (plus the $400.00 we donated to the Independence Fund) for a total Charitable Donation this year of $1000.00.

No additional charities will added at the meeting.

If you are unable to handle your position this year, pls give me a call. (or if you know someone who can be treasurer).

**Holiday Party—December 6th**

Holiday Party at Ippolito’s Italian restaurant in Roswell, GA. We rent the back room of the Italian restaurant. It is a buffet style setting with a cash bar. The cost should be the same as last year. $20 per person, $35 per couple, and $15 for each additional person in your party. Includes buffet lunch, iced tea, soft drinks, desert. There will be a cash bar as well for adult beverages.

We perform a wrapped gift exchange. Value of each gift should be $10 or less. They can be useful items such as car cleaning products or gag gifts. This has historically been by far our largest attended club event each year. No doubt we will cross 100 people this year.

Lunch will run from 11:30 AM to 3 PM. Food served at 12 Noon.

Please RSVP to Mike Walling mwalling@leitransportation.com regarding the Holiday Party by December 2nd so we can make sure Ippolitos can accommodate us.

**MUSCLE CAR REVIEW**

Many of you may remember the articles submitted a few years back by SEGTOA member Scott Walters documenting the restoration of his 1970 GTO. Scott’s GTO won “Best Concours Restored” at the 2013 GTOAA/POCI Co-Vention. Scott wrote to tell us that his GTO is currently featured in the December issue of Muscle Car Review. Scott’s Pepper Green GTO is a 1970 RAIV with an M21 4-speed, and 4.33 rear.
**SEGTOA—Save The Date!**

**January 10th**  
**World Of Wheels—Chattanooga, TN**

Saturday January 10th, the World of Wheels is being held in Chattanooga, TN. This promises to be a good event for the group. We will meet around 9 AM in the Atlanta area (place to be determined), drive to TN together, spend a few hours inside looking at some amazing cars, eat lunch there, and then convoy back home.

Please RSVP to Mike Walling  [mwalling@leitransportation.com](mailto:mwalling@leitransportation.com) regarding the road trip so he can make plan the itinerary. For those who attended the Tail of The Dragon overnighter, you know how good Mike is at putting together a trip for the club.

**Road Trips!**

*By Mike Walling*

I need suggestions for the February event for our club meetings/activity. We had 5 positive feedback emails (“yes” they would go) regarding the FL road trip in February to South Florida. If we get several more that will definitely go, we will add that to our February event list. Let’s have some suggestions!

**Tech Tips**

#1 Ceramic Coated Headers  
*By Paul Sorrells*

My friend Eric is trying to get his '68 SS Chevelle together and he is planning on replacing his rotted out Doug Thorley headers with a new pair of Doug's headers.

I asked him if he was going to get ceramic coated headers and he replied "No" because of the price difference. Shortly after that, he sent me an internet contact that is amazing. Ceramic coated headers throw off 300 degrees less heat than painted ones.

If you are interested in seeing this, go to [theory dyno test-youtube](#). Then scroll down a bit and click on Header Dyno Tests. The video is 18 minutes long and you need to watch at least the first 9 minutes or so.

If you are thinking about getting headers and you don't watch this, you must be a Democrat with a cabinet post position.

#2 Paint Removal Fairy  
*By John Link*

I thought everyone in the Classic Car Hobby knew about the “Classic Car Paint Removal Fairy” but I was wrong. In talking with fellow car guys at cruises and shows, I'm finding that very few know about the “Paint Removal Fairy”.

The Dream:

I have a Classic car that is in good shape, but it needs to be stripped to bare metal, dings fixed, and a nice paint job done. During the night, the “Paint Removal Fairy” drops by, tapes the chrome still on the car, and, in 4 hours, strips the car to bare metal, removing the Earl Scheib paint, the original Lacquer paint and primer, along with all body filler, then sprays on a simple rust treatment, readying it for a wash primer. He then puts it back in the garage.

The truth is the “Paint Removal Fairy” exists!! The real name of the “Paint Removal Fairy” is Dustless Blasting ([dustlessblasting.com](http://dustlessblasting.com)). Dustless Blasting is a mobile paint removal system. Dustless Blasting uses high pressure water and recycled glass to take a Classic car down to bare metal. No driving to someone’s shop, leaving the car, no endless hours of sanding, no dangerous paint strippers, no dust, no heating of the metal panels (ok for fiberglass bodies), and basically no mess.

My car (‘69 Riviera) really needed paint. I had restored my car (non Frame off) but it still needed paint. I removed most of the chrome (left the front bumper, grill and vinyl top (with chrome trim) on), did preliminary taping and called the local Dustless Blasting Company.

The Dustless Blasting guy came to my house, taped the car, removed all the paint and body filler, while we watched, un-taped and left 4 hours later! I drove my car back into my garage, ready for the body man to start working. We did a wash primer, then started filling in the dings, etc. The sand (glass) in the yard, was gone after a couple of rains.

I saved days/weeks of sanding, had control over the process, had the ability to clean the car exactly as I needed it cleaned (no glass in the doors, etc), and kept the car dry. The cost was reasonable and the time saving was priceless.

Just like a dream !!!!

CARS IN THE MOVIES

Interested in having your car used in movie making?

You can place your car in a registry at “movietimecars.com”. Some sites want you to pay for a listing but this site is free. Show your vehicle at no charge and maybe make a few dollars.

You could become famous, like Ed Bellair !!! His car was used in a film recently as was a car owned by a Dixie Buick Club member.

GTO Parts & Services Sources

Thank You to Jeremiah Riggio, Bob Mohalley, and Jim Racela for tracking down some useful on-line sources for GTO parts and services. Hopefully these will prove useful to you in keeping your GTO looking like a proper time machine!

Tiger Tales is published monthly by the Southeastern GTO Association.
SEGTOA is a chapter of the GTO Association of America (www.gtoaa.org), the premier organization for GTO enthusiasts. Each month GTOAA members receive The Legend magazine, a Golden Quill Award Winning publication. SEGTOA is also associated with Pontiac Oakland Club International (www.poci.org). POCI members receive their monthly magazine Smoke Signals.

SEGTOA is an organization dedicated to the survival of the Pontiac GTO, LeMans, and other classic Pontiacs. SEGTOA is open to anyone who shares our common interest in GTOs and other Pontiacs. We enjoy monthly Chapter meetings, including cruises, car shows, picnics, technical sessions and other fun activities. Our members hail from four different states! Members and their spouses, significant others and children are invited and encouraged to attend each monthly club function.

Club Membership Dues
Dues are $20 per year, payable January 1st each year. New members receive a $10 discount on membership their first year. SEGTOA dues requirements are waived for all active military. Membership in GTOAA and/or POCI is required for all members joining after 2007. Members must be in good standing to attend meetings, with the option to bring their membership up to date at any scheduled meeting.

Membership application is available on the SEGTOA website.

Checks should be made payable to Southeastern GTO Association and mailed to Mike Walling, Club Treasurer, 2679 Peppermint Drive, Tucker, GA 30084.
